A step-by-step guide to making a report to Child Protection or Child FIRST

Protective concerns

You are concerned about a child because you have:

- received a disclosure from a child about abuse or neglect
- · observed indicators of abuse or neglect
- been made aware of possible harm via your involvement in the community external to your professional role.

At all times remember to:

- · record your observations
- · follow appropriate protocols
- · consult notes and records
- · consult with appropriate colleagues if necessary
- · consult with other support agencies if necessary
